

**DEPT.**  
**OF MEAT &**  
**SOCIAL AFFAIRS**

Department is your venue, your, your space, your needs met.

Occupying two floors and a substantial gated garden, Department represents a unique space in Northampton. Capable of being set up as a live music venue, a night club, an events space, party venue, function suite and everything in between, we are here to make your event work for you.

**HELLO@DEPTMEAT.CO.UK**

**01604 250650**

From drinks receptions to award ceremonies, live gigs to workplace presentations, club nights to fashion shows and beyond, at Department we don't want to say what we can't do, only talk about what you want to do...

We can provide food, drinks and entertainment services to suit your needs for both private and public events 7 days a week.

Contact our team to discuss the options available and visit for a show round.

No party or event is complete without some real good, honest food.

As mentioned in the name, the kitchen produces some fabulous food using great quality british produce. We offer classic burgers with the finest locally sourced beef, messy ribs from slow cooked pork and some splendid crispy chicken.

In addition, we mix up some moreish milkshakes, homemade ice cream and a fantastic selection of craft beers.

See the current mouth watering menu here:
